

# Heaven on Earth ... here and now

## A Talk by Dr Daniel Scott

A Member of the Christian Science  
Board of Lectureship

**Come and explore the timeless practical power of prayer to bring health and harmony to our lives, and to the world. Christ Jesus' essential teachings show that the kingdom of heaven is within and immediately available.**

**Daniel earned a PhD in mathematical physics, before becoming a Christian Science practitioner and lecturer. He has given presentations at several scientific conferences, and earlier this year gave a lecture at Winchester's Discovery Centre, as one of a series to commemorate Charles Darwin's 200th birthday.**

**Sunday 31st May 3pm,  
Brownsword Hall, Pummery Sq.,  
Poundbury, Dorchester. DT1 3GW**
